

In conjunction with the mystery unit, each student will select a topic of investigation that involves a mystery, investigate it through the use of multiple sources, examine and evaluate the theories surrounding the mystery, arrive at best conclusion, and present.

Select a topic

Research

Take notes

Answer Who, What, Where, When, How, and maybe a Why

Find theories

Select your theory and why

Using notes, write the report

Choose method of visual presentation

Get that okayed by me

Turn in report/present

Types of Sources - students must use at least three DIFFERENT types of sources (exceptions may be necessary due to the nature of the topic)

Students must keep a record of all sources used in order to complete a work cited page.

Books

Reference material (encyclopedia)

Magazines

Newspapers

Internet

Pamphlets

TV Programs

Documentaries (DVD/Video)

Personal Interviews

Reference material on CD-ROM

Unexplained Mystery Final Project

1. Report - the report shows the heart of your research. It will be handed in to me on the day you present. It should be revised, edited, and error free. Your report final will be typed double space in 12 point font, using regular font. NO GRAPHICS, etc.

The report should include:

- a. introduction (attention-getting)
- b. body
 - question 1
 - question 2
 - question 3
 - additional questions
- c. conclusion
- d. works cited page

2. Present
